

YOUR SOFTWARE IS SO LAST YEAR

We get it – there's nothing more annoying than stopping what you're doing for a software update. But trust us, it has its benefits.

REGULARLY UPDATE YOUR

PC and mobile OS

antivirus software

web browser

apps and games

SO YOU CAN

access new features

prevent cyber threats

fix glitches and bugs

WHEN IT COMES TO UPDATES,

42%

of smartphone owners only update their OS "when it's convenient" ¹

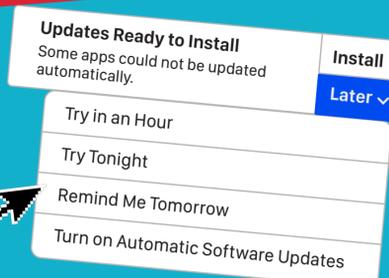

14%

of smartphone owners never update their OS at all ¹

AND THAT'S **TERRIBLE.**

DON'T FALL FOR THIS TRAP:

REMINDE ME LATER

BE LIKE THESE PEOPLE INSTEAD.

42%

of smartphone owners update their OS as soon as it's available ¹

56%

of Canadians update their anti-virus at least once a week ²

Staying updated is one of the easiest ways to protect your devices if you remember the most important rule:

TURN AUTOMATIC UPDATES ON
